Parallel Lines

Shed Seven

Suck on this
Dropping the bits
Topping the hits
I've walked miles to be with youListen to me
On my hands and knees
Feeding my greed
And all the while I think it's trueIt's a maximum high
With my parallel linesThe mirror is long
It's a way to belong
And it's keeping me strong
And all the style is showing through
It's one day of trust
Three years of lust
And it's my life or bust
And do you feel the same things too?It's a maximum high
With my parallel linesYou're my queen
And you're my machine
A fine dream team
I'm feeling bright, I feel all newYes, that was a joke
Everytime that you spoke
Until you finally choked
And I'll be ruling my own roostIt's a maximum high
With my parallel lines
I could fax you at work
And pick you up in my Merc'
And dig deep in your dirt
It's the in thing to doSo suck on this
And I'm making my lists
And I'm topping the hits.
I've walked miles to be with youIt's a maximum high
With my parallel lines
Shaking off me
Too highYou're a millionaire
And you've been everywhere
And you've done every dare
Can you see my point of view?And it's looks like you know
Where you're going to go
Where you blow all your dough
And all the while I think it's trueIt's a maximum high

With my parallel lines
Shaking off me
It's my whirlwind
And it's my last flingIt's the devil in me
And I won't set it free
'Cause it's locked in me
And all the style is showing throughIt's my honeymoon
I'll take it this afternoon
Egg and spoon to the moon
I'm feeling bright, I feel all newIt's a maximum high
With my parallel lines
Shaking off me
It's my whirlwind
And it's my last fling
Shaking off meNow I know it's time for a maximum high
Shaking off meIt's a maximum high
With my parallel lines
Shaking off me
It's my whirlwind
And it's my last fling
Shaking off meNow I know it's time for a maximum high
Shaking off meGetting better, getting better, getting betterGetting better, getting better, getting betterGetting better, getting better, getting betterGetting better, getting better, getting betterGetting better, getting better, getting better
