

# Call Me

Randy VanWarmer

Call me  
When your lonely  
Call me  
I will be free  
If you need love  
Or just a friend  
Call me for company  
Last time  
You were lonely  
You came straight to me  
I made you laugh  
I gave you my love  
I gave you sympathy

Tried to tell myself  
I was more than just stuck on you  
When I finally pulled you through  
I'd have what you were looking for  
Now I tried to think  
Of what I said  
And what I have or haven't done  
I know when you needed me  
I was there  
I was there  
So oh call me  
Oh Oh Oh call me  
Now you know if you need me  
I'll be there  
I'll be there  
So call me

If you need love  
Or just a friend  
Call me for company  
Call me  
Oh Oh Oh call me  
Now you know if you need me  
I'll be there

I'll be there

So sometimes when your lonely

Call on me

Call me I will be free

Call on me

Sometimes when your lonely

Call on me

Call me I will be free

Call on me

Sometimes when your lonely

Call on me
