When You're In Love

Lee Carr

When you're in love, you really know you're in love!
when you're in love, you really know you're in love, love, love!
when you're in love, you really know you're in love!
when you're in love, you really know you're in love, love, love!i wasn't looking for nobody when i met you,
but you were so damn beautiful i can't forget you!
you were talking on the phone like the girls do,
i couldn't even help myself i had to get you!
i don't know exactly what you're doing to me,
take my breath away and make my heart skip two beats.
Now all them other girls mean nothing to me,
i asked her what's her name she said that it was julie.
now we're together and i can't believe that it's real,
if you ever had been in love then you know how it feels,
i'm gonna give her a baby, put a ring on her finger too!
cause when you're in love, you really know you're in love!
when you're in love, you really know you're in love, love, love!
when you're in love, you really know you're in love!
when you're in love, you really know you're in love, love, love!i never dreamed that i would find someone like you,
you steal my heart with every single thing that you do!
even when i get crazy, aha
i know i'm not always easy!
you say you hate it when i leave the toilet seat up,
you say that you're the only one that ever cleans up.
you deal with all my flaws and all
that's how you know!when you're in love, you really know you're in love!
when you're in love, you really know you're in love, love, love!
when you're in love, you really know you're in love!
when you're in love, you really know you're in love, love, love!
when you found that perfect someone
makes you feel like no one does that!
Loving them feels so amazing, if you've got real love then sing out
yeah, yeah, yeah, yeah!
sing yeah, sing yeah, sing yeah eeee!when you're in love, you really know you're in love!
when you're in love, you really know you're in love, love, love!
when you're in love, you really know you're in love!
when you're in love, you really know you're in love, love, love!
