Over It

Onelinedrawing

Everyone's a crowd
No one hear or see me
Better best believe me
Maybe it's a dreamI wonder what would happen if I...Help me get over itShow me how to smile
Remind me how to mean it
Be cool and make the scene and
Make me into a sincere mess
dumbkpof hopeless hypocriteI can lose and I can cry
I can wise up
I can get so starry-eyed
Help me get over it.
