Idols

[spunge]

I wanna, I wanna, I wanna be like Lennon.
I wanna, I wanna, I wanna be like Lennon.
Wear rounded glasses and make peace from bed,
Forget all about war and go out and make some love instead.I wanna be just like my idols.
I really admire their styles.
I wanna, wanna, wanna, wanna, wanna, yeah, yeah ,yeah.I wanna, I wanna, I wanna be like Simpson.
I wanna, I wanna, I wanna be like Simpson.
Don't have a cow man, eat my shorts instead,
Well, the only major drawback is a bright yellow forehead.I wanna be just like my idols.
I really admire their styles.
I wanna, wanna, wanna, wanna, wanna, yeah, yeah ,yeah.I wanna. I wanna, I wanna be like Marley.
I wanna. I wanna, I wanna be like Marley.
I wanna go where the sun never strays,
I'll be skanking it up for the rest of my living (days)I wanna be just like my idols.
I really admire their styles.
I wanna, wanna, wanna, wanna, wanna, yeah, yeah ,yeah.I wanna, I wanna, I wanna be my father.
I wanna, I wanna, I wanna be my father.
Give words of wisdom and bring tears of joy.
I've been wanting to be just like my dad ever since I was a little boy.I wanna be just like my idols.
I really admire their styles.
I wanna, wanna, wanna, wanna, wanna, yeah, yeah ,yeah.I wanna be just like my idols.
I really admire their styles.
I wanna, wanna, wanna, wanna, wanna, yeah, yeah ,yeah.
