

Keep That Body Strong (That's the Way)

Dead or Alive

Keep my keep my body strong
Keep my keep my body strong

Keep my keep my body strong
Keep my keep my body strong
Keep my keep my body strong
Keep my keep my body strong
That's the way (uh huhn uh huhn)
I like it (uh huhn uh huhn)
That's the way (uh huhn uh huhn)
I like it (uh huhn uh huhn)
That's the way (uh huhn uh huhn)
I like it (uh huhn uh huhn)
That's the way (uh huhn uh huhn)
I like it (uh huhn uh huhn)

When you take me
By the hand
And tell me I'm
Your loving man
And when you whisper
It in my ear
And do the things
The best you can

That's the way (uh huhn uh huhn)
I like it (uh huhn uh huhn)
That's the way (uh huhn uh huhn)
I like it (uh huhn uh huhn)
That's the way (uh huhn uh huhn)
I like it (uh huhn uh huhn)
That's the way (uh huhn uh huhn)
I like it (uh huhn uh huhn)

When I get to be be
In your arms
And when we're all
We're all alone
When you whisper
It in my ear

When you turn
You turn me on

That's the way (uh huhn uh huhn)
I like it (uh huhn uh huhn)
That's the way (uh huhn uh huhn)
I like it (uh huhn uh huhn)
That's the way (uh huhn uh huhn)
I like it (uh huhn uh huhn)
That's the way (uh huhn uh huhn)
I like it (uh huhn uh huhn)

Oh, it should be okay
If you try it in my way

That's the way (uh huhn uh huhn)
I like it (uh huhn uh huhn)
That's the way (uh huhn uh huhn)
I like it (uh huhn uh huhn)
That's the way (uh huhn uh huhn)
I like it (uh huhn uh huhn)
That's the way (uh huhn uh huhn)
I like it (uh huhn uh huhn)
That's the way (uh huhn uh huhn)
I like it (uh huhn uh huhn)
That's the way (uh huhn uh huhn)
I like it (uh huhn uh huhn)
That's the way (uh huhn uh huhn)
I like it (uh huhn uh huhn)
That's the way (uh huhn uh huhn)
I like it (uh huhn uh huhn)
That's the way (uh huhn uh huhn)
I like it (uh huhn uh huhn)

continued

There will be differences depending on which version of the song is played
