The Dreamthieves

The Sword

Searching
As you look up into the sky
Heaven's above
Reflect
The Starlight in your eyes.Moving like a shadow
Disembodied and alone
Somewhere in the darkness
Beyond the dusk
Before the dawn.Dreaming
Beneath the velvet
Cloak of night
Let go of your fear
And feel your spirit
Taking flight.Lurking by the roadside
Hungry eyes and hearts of stone
Don't stray from the pathway
Until you see the light of home.
