

Scars (feat. V. Rose)

Positive

Vers 1: (Positive)

Its been hard for me to make it trough
There was a time when I thought I would lose
I believe that my life would have never changed
But I was wrong, wrong so wrong
You made me feel just, like I was somebody
Spoke a word at the right time
Now I live to tell the story
I said, oh my lord
I stayed strong and you gave me victory

Refrain:

Now this scars of mine
Help remind me, that it was not over
Still I rise
Where I should have died
I'm alive and I am feeling fine
All because my Jesus he was right on time, on time
I tell you this scars remind me ...

Vers 2: (V. Rose)

Being alone in this world is so cold
They're wishing never fall
Wish they'd have it all
Now I'm stumbling down, you won't believe
The things I've seen, crazy things
But I've always known, you'd never go
I'm not alone, you're there for me Lord
So all of the scars and the wars that we've fought
I'm thankful, I'm thankful for ..

Refrain:

This scars of mine

They help remind me, that it was not over
Still I rise
Where I should have died
I'm alive and I am feeling fine
All because my Jesus he was right on time, on time
This scars remind me ...

Vers 3: (Positive)

They painted pictures of me
Spoke the worst about me
Better help when I felt
Better know that God was with me
I remember when I almost, let go
But mercy said no
I'm gonna fight for you, I'll fight for you

Refrain:

This scars of mine
Help reminds me that I'm stronger
Still I rise
(Watch me rise)
I'm alive
And I am feeling fine
All because my Jesus he was right on time, on time
I tell you this scars remind me ...

End:

But I made it
Yes I made it
Check how I'm stronger
Yes I'm stronger
Stronger
Stronger than before yeah
