

Hercules

Aaron Neville

All you fear, is fear its self
Check our your own back yard before you check out someone else
Railroad track, in my neighborhood
Aint no trains around that part just aint no goodWanna know, whats going down
When the pimp on the corner looks like the sharpest cat in town
Jungle rule, cant be no fool
Might get caught by the hook of a crook no time for coolLook out jay, what you say, what you carrying brother
I hope youre clean 'cause the man is mean, dont come another further
We all know the answer, will come out in time
I might even carry some of your load, right along with mineThank you maam, mister please
Cause I must be Hercules
I must be HerculesLike a bird, on the wing
I just wanna be free enough to do my thing
I can feel the pressure, from every side
If you aint gonna help, dont hurt, just pass me byHercules
I must be HerculesJungle rule, cant be no fool
Devil is on the loose, no coo
Got your feet, in the sand
Got to be down with the cats that around and still got the face the manTalk about me if you please
But I must be Hercules
Hercules
I must be HerculesDuckin rocks, catchin stones
Movin how can I survive whats going on
Big steely borrow
Somehow Ive got to make it to tomorrowCant depend, on no-one else
Comin up the hard way Ive got to save myselfMust be Hercules
I must be Hercules
Talk about me if you please
I must be Hercules
