Hercules

Aaron Neville

All you fear, is fear its self

Check our your own back yard before you check out someone else

Railroad track, in my neighborhood

Aint no trains around that part just aint no goodWanna know, whats going down

When the pimp on the corner looks like the sharpest cat in town

Jungle rule, cant be no fool

Might get caught by the hook of a crook no time for coolLook out jay, what you say, what you carrying brother

I hope youre clean 'cause the man is mean, dont come another further

We all know the answer, will come out in time

I might even carry some of your load, right along with mineThank you maam, mister please

Cause I must be Hercules

I must be HerculesLike a bird, on the wing

I just wanna be free enough to do my thing

I can feel the pressure, from every side

If you aint gonna help, dont hurt, just pass me by Hercules

I must be HerculesJungle rule, cant be no fool

Devil is on the loose, no coo

Got your feet, in the sand

Got to be down with the cats that around and still got the face the manTalk about me if you please

But I must be Hercules

Hercules

I must be HerculesDuckin rocks, catchin stones

Movin how can I survive whats going on

Big steely borrow

Somehow Ive got to make it to tomorrowCant depend, on no-one else

Comin up the hard way Ive got to save myselfMust be Hercules

I must be Hercules

Talk about me if you please

I must be Hercules
