

Uncle Sam Goddamn

Brother Ali

Ah, The name of this song is uncle sam goddamn
It's a show tune but the show aint been written for it yet.
Were gonna see if Tony Jerome and the band can maybe work this shit out for me
Straighten me out right quick
I like it so far man
Yeah Come on, lets goWelcome to the united snakes
Land of the thief, home of the slave
Grand imperial guard where the dollar is sacredCome on lets do this shit for real now
Smoke and mirrors, stripes and stars
Stoner for the cross in the name of god
Bloodshed, genocide, rape and fraud
Written to the pages of the law, good lord
The cold continent, latch key child
Ran away one day and started acting foul
King of where the wild things are, Daddy's proud
Cos' the roman empire done passed it down.
Import and torture the work force,
Never heal the wounds or shipped the curse off
Goliath nation holding open auditions for the part of David
Can you feel?
Nothing can save you, you question the reign
You get rushed in and chained up
Fists raised but I must be insane,
Cos I can't figure a single goddamn way to change it.Welcome to the united snakes
Land of the thief, home of the slave
Grand imperial guard where the dollar is sacred
And power is GodWelcome to the united snakes
Land of the thief, home of the slave
Grand imperial guard where the dollar is sacred
And power is GodAll must bow to the fat and lazy
The fuck you obey me and why do they hate me?
Whom
Only two generations away from the worlds most despicable slavery trade
Pioneered so many ways to degrade a human being
That it cant be chains to this day
Legacy so ingrained in the way that we think
We no longer need chains to be slaves
Lord it's a shameful display
The overseas even got raped along the way

Cos' the children cant escape from the pain
And they're born with the pores and this hatred in their veins
Try and separate a man from his soul
You only strengthen him and lose your own
Well shoot that fucker if he walk near the throne
Remind him that this is my home
Now I'm goneWelcome to the united snakes
Land of the thief, home of the slave
Grand imperial guard where the dollar is sacred
And power is GodWelcome to the united snakes
Land of the thief, home of the slave
Grand imperial guard where the dollar is sacredHold up, gimme one right here.
You don't give money to the bums
On the corner with a sign, bleeding from their gums Talking about you don't support a crackhead
What you think happens to the money from yo' taxes?
Shit the governments an addict
With a billion dollar a week kill brown people habit
And even if you ain't on the front line
When masser yell crunch time you right back at it
You aint look at how you hustling backwards
And the end of the year add up what they subtracted
Three outta twelve months your salary
Paid for that madness, man that's sadness
Whats left get a big ass plasma
To see where they made Dan Rather point the damn camera
Only approved questions get answered
Now stand your ass up for that national anthemWelcome to the united snakes
Land of the thief, home of the slave
Grand imperial guard where the dollar is sacred
And power is GodWelcome to the united snakes
Land of the thief, home of the slave
Grand imperial guard where the dollar is sacred
And power is God[instrumental break]Custom made, the consumer news
Keep saying we're free But were all just blue
