

"Endless Summer" (Microwave Prince Remix)

Scooter

Party people!
The sky has changed
Can you smell the sun?
It's time, for the most exciting season!
It's time, for summer... an endless summer!
Here we go again!
Alright!
Clap your hands!
Yeah!
Yes!
Check this!
Come on!
Move to the baseline!
Move to the baseline! Jump, jump!
Move to the baseline! Jump, jump!
Move to the baseline! Come on!
Endless summer, endless summer
Can you feel it?!
Endless summer, endless summer
Love is in the air!
Endless summer, endless summer
Party people!
Endless summer, endless summer
Ravers!
Come follow me, come follow me, come follow me this sunny da-ay!
Come follow me, come follow me, come follow me this sunny day!
Come follow me, come follow me, come follow me this sunny day!
All the people on the beach start raving this way!
Endless summer, endless summer
Endless summer, endless summer
Love is in the air!
Endless summer, endless summer
Party people!
Endless summer, endless summer
Come on!
Endless summer, endless summer
Love is in the air!
Endless summer, endless summer
Generation of the future! See ya!
