

# No More Shadows from the Past

## Narnia

He Died For Me On The Cross  
Took My Sins And Threw Them Away  
    he Lit The Fire In My Soul

At Last I've Reached My Goal  
Hand In Hand Through The Fields Of Fire  
No More Shadows From The Past  
    My Spirit Free, Free At Last  
Here I Stand On The Road  
    The Road To Meet My Destiny  
I'm Not Afraid ?Cause I'm Saved  
Yes I'm Saved By A Living Truth
