

Magic of Love (feat. Tim Myers)

Kathryn Ostenberg

Love can make everything feel right
Love can make everything feel better
Winter, Summer, rain, or shine
Any type of weatherSquares and circles, greens and blues
Love comes in every shape and color
One thing's true: I do love you
Make everyday look brighterFeel the magic of love!
Oh, ay, oh
Oh, ay, oh
Feel the magic of love!
Oh, ay, oh
Oh, ay, oh
Feel the magic of love!Hey, na, na, na-na
Hey, na, na, na-na
Hey, na, na, na-na
Hey, na, na, naSweetest little thing that I ever have seen
Your smile and your eyes, they drive me crazy
All that it took was one, two, three
To fall in love with you, babyYou're the girl out of my dream
I thank God that we got each other
My best friend, my fantasy
Every minute we're togetherFeel the magic of love!
Oh, ay, oh
Oh, ay, oh
Feel the magic of love!
Oh, ay, oh
Oh, ay, oh
Feel the magic of love!(Repeat x8:)
Hey, na, na, na-na
Hey, na, na, na-na
Hey, na, na, na-na
Hey, na, na, na
