

The Price Of Love

The Kinleys

Wine is sweet, gin is bitter
Drink all you can but you won't forget her
You talk too much, you laugh too loud
You see her face in every crowd That's the price of love, the price of love
The debt you pay with tears and pain
The price of love, the price of love
Can cost you more and you're to blame Kiss one girl, kiss another
Kiss them all but you won't recover
You're dancin' slow, you're dancin' fast
You're happy now but that won't last That's the price of love, the price of love
The debt you pay with tears and pain
The price of love, the price of love
