Stay (Night Until Noon)

Poco

Here I sit in my room
Nobody here but me and a simple tune
Hope you roll on in with the risin' moon
I wanna stay with you all night
Wanna stay with you night until noon - yes I doSayin' nothin', but feelin' strong
I'm a pretend poet with half a song
Hope you keep your word, wanna see you soon
I wanna stay with you all night
Wanna stay with you night until noon
Baby can you stay - stay until the break of day
I wanna feel your body sway
We can let them say what they want to
They can talk themselves into shades of blue
Baby I got lots of room
Wanna stay with you night until noonWe can let them say what they want to
They can talk themselves into shades of blue
Baby I got lots of room
Wanna stay with you night until noonAnd my sometime friends say "Son' you better come around -
Get your feet back on the ground,
She's tryin' to fool ya... She only wants to do ya..."
Why are they so bent on bringing me down?
Here I'll sit and here I'll stay
And I'll be right here till you come my way
Someting's in the air - just about to bloom
I wanna stay with you all night
Wanna stay with you night until noonBaby can you stay - stay until the break of day...Stay...
