

# STUCK WITH EACH OTHER

## SHONTELLE (FEAT. AKON)

you can, think you can get free  
you think you won't need me  
that you're gonna somethin better but u know that we're in this forever  
and u can, think you can walk out even with your doubts  
but u know we're in this together  
you can try to push me from you nothing you do can pull us apart

cause it's too late there's no escape  
might as well face it, baby we're stuck with each other stuck with each other  
ain't nothin you can do bout it  
it's been too long, this is too strong  
cause we belong here  
baby we're stuck with each other, stuck with each other  
stuck in love with each other  
(stuck in love with each other)

Akon

yeah  
now i can say i would not care if u were not there  
tell myself that i'll be fine without ya  
but I'd die if i was not around ya  
and i can try to convince u  
i don't need to be with u  
but my only thoughts are thoughts about u  
what can i do, love is like glue  
there's no way to tear our hearts apart

cause it's too late  
(too late, too late)  
There's no escape, might as well face it  
baby we're stuck with each other stuck with each other  
ain't nothin u can do about it

(chorus)  
it's been to long, this is too strong  
yes we belong here  
baby we're stuck with each other  
stuck with eachother  
stuck in love with eachother

(stuck in love with each other)

Shontelle
