Tear Away

Drowning Pool

I'm tearing away
Pieces are falling, I can't seem to make them stay
You run away
Faster and faster you can't seem to get away
BreakHope there's a reason
For questions unanswered I just don't see everything
Yes I'm inside you
Tell me how does it feel to feel like this
Just like we do, like we doI don't care about anyone else but me
I don't care about anyone
I don't care about anyone else but me
I don't care about anyoneDo I really want this?
Sometimes I scare myself I just can't let you go
Can you believe it?
Everything happens for reasons I just don't knowI don't care about anyone else but me
I don't care about anyone
I don't care about anyone else but me
I don't care about anyone or anything but me
God damn I love meI don't care about anyone else but me
I don't care about anyone
I don't care about anyone else but me
I don't care about anyoneI don't care about anyone else but me
I don't care about anyone
I don't care about anyone else but me
I don't care about anyone
