

# Nine (Acoustic)

[Rolo Tomassi](#)

Obey the trap  
Alternatives expect affliction  
Actions hold no meaning  
Hold on motive  
Hold on, hold on, hold on, hold on .Concentrate on consciences trace circles  
And words break whats not already broken  
Tessellating to the pattern with the other puzzled pieces  
Don't you delve into something unknown  
Everybody wants  
A hand to hold,  
I am holding out my hand,  
We are holding out out hands,  
(Holding out hands) holding in everything else  
Encore, encore what for?  
Everybody wants a hand to hold,  
I am holding out my hand,  
We are holding out out hands,  
(Holding out hands) holding in everything else
