## Oh, Carol

## **Neil Sedaka**

Oh! Marco, You are but a fool
You're leaving Stockholm and all of us behind
You hurt us and You make us cry
and now that You leave us, We will surely dieMarco there will never be another
'Piano teatcher like You

Don't ever leave me, say you'll never goI will always want you for my sweetheart No matter what you do

Oh! Carol, I'm so in love with youOh! Carol, I am but a fool
Darling, I love you though you treat me cruel
You hurt me and you make me cry
But if you leave me, I will surely dieDarling, there will never be another
'Cause I love you so

Don't ever leave me, say you'll never goI will always want you for my sweetheart

No matter what you do

Oh! Carol, I'm so in love with you
