Anything You Want

Curtis Stigers

Anything you want, anything at all
Anything you need, any time you call
Anywhere you are, anywhere you go
Any time at all, baby let me knowWell I hear the voices whisper
And I hear your lonesome cry
And I see the tears fallin
And I know the reason whyAnything you want, anything at all, yeah
Anything you need, any time you call
Any time you cry, any time you fall
I will pick you up any time at allWell I hear your voice within me
And I hear your tender call
And I know that life without you
Dont mean anything at allAnything you want, anything at all
Anything you need, any time you call
Oh anything you dream, everything you know
Anywhere you lead, baby I will goWhen trouble comes to call on you
And you cant take anymore
Any time you need a friend
Just knock upon my doorAnything you want, anything at all
Anything you need, any time you callAnything you want, oh anything at all
Anything you need, any time you call
Oh and anything you dream and everything you know
Anywhere you lead, baby I will go, I will go, I will go
Oh, oh, oh, oh oh oh oh ohAnything you want, anything you need
Anything at all, anything, anything
Anything you want, anything at all
Anything you need, anything, anything
Anything , anything, anything
