

2 Hearts

Toto

You said you would wait for me, but something went wrong
The house was empty, your pictures gone
I knew you'd come back one day, our love was so strong
The past behind us, it's here you belong 'Cause I'm deep inside you, you're deep inside me
I always knew that we would always be [Chorus:] Two hearts forever, one heart alone, I need to know your love
is mine
Two hearts forever, one heart alone, I won't let go of you this time You could've talked to me, what changed
your mind
I could have been there by your side
You thought you could walk away, but you know that's a lie
This loneliness is hard to hide It's so easy to surrender, and temptation always finds a way
You must hold on, you know we must hold on, whoa-oh-oh Two hearts forever, one heart alone, I won't let go
of you this time
Take this heart of mine, whoa-oh-oh
