If You Believe Me

Gillan

I could believe in you
The way you left me hot and helpless
I could believe in you
The way your kisses left me hot and helpless
I could believe in you
I want you
If you believe me
I'll stay with you
But if you deceive me
I'll kill you
I feel so lonely
Since you've gone
I feel so lonely
I want you back
If you believe me
I'll never let you go
If you believe me
I'll never let you go
But if you deceive me
I'll let you go
