

# Shocked

Joe Cocker

I had no warning, came this morning  
Don't believe what I see  
An empty bed and a note that read  
You got new company I was shocked when you left  
Cut to the quick  
Shocked when you said that it's over now  
I still remember how you made that final vow Now I was blown up, I picked my phone up  
Operator said to me  
Save your dime, there's nobody on the line  
Call back later if you please  
I was shocked when you left  
Cut to the quick  
Shocked when you said that it's over now  
I still remember how you made that final vow I've been told there's a thorn in every rose  
I've been told there's a thorn in every rose  
I sure found out, girl I found out I remember when I met you  
And you wouldn't let me see  
What you wrote down now it's going round  
Well the news came secretly  
I was shocked when you left  
Cut down to the quick  
Shocked when you said that it's over now  
I still remember how you made that final vow  
Cause I was shocked
