## Camp Lo

You need to come inside and check Lo
Relax yourself and let the sugar Lo flow
(Coolie high got you wide)
You need to come inside and check Lo
Relax yourself and let the sugar Lo flow
(Coolie high keeps you wide)You need to come inside and check Lo
Relax yourself and let the sugar Lo flow
(Coolie high got you wide)
You need to come inside and check Lo

(Yo [Incomprehensible])It's rainin' alizay
I'm floatin' through the Holland tunnel swervin'
I'm diggin' on the Sheeba, pullin' Sheeba she be splergin'
We lurkin' with the coon 'cause we be murkin' from the boogie
And shittin' on the crowds 'cause they jive fakin' woodyYeah, tre shots of life for all night you dig it
Camp-ah hotta pinata, too big quiver get hipper
Spillin' coffee inside my automo' aldo
Crackin' satin' and leather, what's happenin' bullet convincer?
Cash straight outta comic, books catchin' the flurry
Keep your eye on the Lo where Mr.'Cause we comin' with hammers and drivers
With the buddahs and rugars and shot cruisers and rovers
Diamond crooks takin' it over
With razors and cutters, with the sugar and butters
Pimp the seasons in leathers
We live for coolie high treasures andCheck the queen bee Lady Ree diggin' grace
Check the place 3 o'clock shat no we ain't
Fred and Cot bring it in the paint no such thing
Blasts of dynamite sing my superfly to the
Cleopatra in the casino with gold sugar
Dig my harlequinn and drench you with my diner garmentsFrom Beva to Bevro in the Montaro slidin' to Dero
With bottles of Asti Spumanti to tranquilize my heaven
Count seven we gettin' explicit shootin' sugar to the shorties
Luchini to spare let me see you it's losin' the air word lifeYou need to come inside and check Lo
Relax yourself and let the sugar Lo flow
(Coolie high got you wide)
You need to come inside and check Lo
Relax yourself and let the sugar Lo flow
(Coolie high keeps you wide)You need to come inside and check Lo
Relax yourself and let the sugar Lo flow

(Coolie high got you wide)
You need to come inside and check Lo
Relax yourself and let the sugar Lo flowLo keeps the party live
The 80 proof is leakin' got me screachin' Jersey Drive
We screamin' 'cause we [Incomprehensible] caliber is bring it
I'm layin' in the purple rain until I see some action
We movin' motionless, continuous and that's happenin'We got the bubbly pourin' through me and Cleopatra's casino
See back in coolie high jack and jitterbugs and
Dolemite's outta site anti-hatahs cats in the city
On the money takin' the tri-state under sore savant
Billy holidayin' the Foxy Browns with my harlequinns
Penny he repellin' reflected crystals is HollywoodDon't pull the stars
'Cause we lickin' Cuban cigars and sippin' moe
Playin' the jigga cotton and the figgas on the Lo and Lo
Blessin' the dimes, keepin' my camp is on the higher flow
Livin' the crimes hittin' them slide
For the C-noteYo, president city
Pourin' right on the JJ's and sautee
Cab callowayin' the last of the finest shot sirus
Christ is comin' lower with jiggas less to zero that
Sex the Lo, dice the Lo
Il'l tell you whatOn the night vision decision underneath the silver moon
Boy from company C A day sugar love
Chief be for stonin', Robbin Chero be for midnight
The safety's off the toaster and my shadow's by the moonlight
'Cause data's on the levels and the Lo is on the EQ
My stamina is sugar and it's love love forever y'allYou need to come inside and check Lo
