Raining In My Heart (Remastered LP Version)

Leo Sayer

The sun is up, the sky is blue
There's not a cloud to spoil the view
But it's raining, raining in my heartThe weatherman says fine today
He doesn't know that you've gone away
And it's raining, raining, raining in my heartOh, oh mystery, misery what's gonna become of me
I tell myself, the blues won't show
But pretty soon all these tears will
Flow raining, raining in my heartOh, oh misery, oh misery oh, what's gonna become of me
The sun is out, the sky is blue
There's not a cloud around to spoil the view
But it's raining, raining in my heart
