

# Power Hungry

Albert Hammond Jr.

Something told me you're around  
But if you're pleasantly drunk you can't hear a sound  
Power hungry was the crown  
But if you're pleasantly drunk you can't hear a sound  
There's a war of words I'm about to lose  
Wiped the glass three times to erase its use  
Saw a twitch from a chair that's about to fall  
Took the things on display at a nations hall  
I thought I belonged to something  
Walking up stairs gets me down  
Everyone has known the mouth to mouth  
Everyone's agreed from north to south  
Everyone has moved to greet the greed  
Everyone has known the mouth to mouth  
Everyone's agreed from north to south  
Everyone has moved to greet the greed  
Exits, you are just another entry  
But if you're pleasantly drunk you can't read the news  
There's a war of words I'm about to lose  
Wiped the glass three times to erase its use  
Saw a twitch from a chair that's about to fall  
Took the things on display at a nations hall  
I thought I belonged to something  
Walking up stairs gets me down  
I thought I belonged to something  
Walking up stairs gets me  
Everyone has known the mouth to mouth  
Everyone's agreed from north to south  
Everyone has moved to greet the greed  
Everyone has known the mouth to mouth  
Everyone's agreed from north to south  
Everyone has moved to greet the greed
