

Fly

apl.de.ap

Welcome (x10)
I need a scape
Somewhere to go
A new holiday
A place we don't know
I'm ready to go, go, go
Don't you wanna go, go, go
I feel a little down and I wanna fly
Just a little down and I wanna fly
Leave it all behind and say goodbye
I wanna touch the sky so I can flyI wanna fly, fly, fly, fly
I wanna fly, fly, fly, fly, fly
I wanna fly, fly, fly
I wanna fly, fly, fly, fly, fly, fly, fly, flyCheck!(Beats)Check!(Beats)Check! Check! Check!
I wanna fly, fly, fly, fly, fly, fly, fly, fly, fly, flyCheck!(Beats)Check!(Beats)Check! Check! Check!
