So Lonely

The Hippos

Well someone told me yesterday
That when you throw your love away
You act as if you don't care
You look as if you're going somewhere
Well I can just convince myself
I couldn't live with no one else
And I can only play that part
And sit and nurse my broken heart
So lonely (12x)
Well no one's knocked upon my door
For a thousand years or more
All made up and nowhere to go
Welcome to this one night show
Just take a seat they're always free
No surprise no mystery
In this theater that I call my soul
I always play the starring role
So lonely (19x)
