Marlene

Kevin Coyne

Girl of my dream, Marlene
You know who I mean, Marlene
You're just a dream oh Marlene
Why don't you let me come in, let me come inYou sit there every night, Marlene
You are just right, Marlene
When I turn on my light, oh Marlene
Why don't you let me come in, let me come inPaper is torn, Marlene
Paper on the wall, Marlene
And I'm just a boy, oh Marlene
Why don't you let me come in, let me come inI say hey, hey pretty girl
I say hey, hey pretty girl
I say hey, hey pretty girl
hey pretty girl, hey pretty girl
