I Wanna

Black Tide

I wanna wake up and feel like I'm dreaming
Hit my feet so the crowd is screaming
I wanna, I wanna, I wanna,
Hear myself singing on the radio,
this is how my song would go,
Oh, oh, oh, oh, oh-oh, oh, oh,
I wanna swim in the money,
Women acting like they love me,
Get so paid, (so laid)
Yeaaaah
I wanna party until I'm barely breathing
A normal life ain't a life worth living
I wanna, I wanna, I wanna,
Hear myself singing on the radio,
this is how my song would go,
Oh, oh, oh, oh, oh-oh, oh, oh,
I wanna swim in the money,
Women acting like they love me,
Get so paid, (so laid)
Yeaaaah

I'll make ya love me
I'll make ya love me
I wanna hear myself through every single voice,
I wanna hear myself...
Singing on the radio,
This is how my song would go,
Oh, oh, oh, oh, oh-oh,oh oh,
I wanna swim in the money,
Women acting like they love me,
Get so paid, (so laid)
Hear me on the radio,
this is how my song would go,
Oh, oh, oh, oh, oh-oh, oh, oh,
I wanna swim in the money,
Women acting like they love me,
Get so paid, (so laid)
Yeaaaah
I'll make ya love me!

BITCH!
