

# How a Cowgirl Says Goodbye (Re-Recorded)

Tracy Lawrence

A cup of coffee with the first sunlight  
At a last chance Texaco  
I'm thumbing through a worn out road map  
Trying to decide which way to go These empty miles and her memory  
They just seem to linger on  
She left me on this lost highway  
Wondering why and where she's gone That's how a cowgirl breaks a young mans heart  
That's how my whole world slowly came apart  
With a cold and empty stare as if I wasn't there  
She didn't even stop to cry, that's how a cowgirl says goodbye Called up her momma down in Abilene  
Just to find out how she'd been  
She said she'd stopped awhile in San Antone  
Spend some time with an old friend With all the distance in between us  
I'm sure I'd never cross her mind  
And it may take all these roads ahead  
Just to leave it all behind That's how a cowgirl breaks a young mans heart  
That's how my whole world slowly came apart  
With a cold and empty stare as if I wasn't there  
She didn't even stop to cry, that's how a cowgirl says goodbye That's how a cowgirl breaks a young mans heart  
That's how my whole world slowly came apart  
With a cold and empty stare as if I wasn't there  
She didn't even stop to cry, I guess that's how a cowgirl says goodbye
