

# Sleepwalking (Mortlock Remix)

Davidge

Paint the roses red  
And smoke the mirrors  
I have made my bed  
I loved a sinner  
What did I expect?  
When it glitters is it ever gold? So turn the blinded-eye  
And let me float  
I'm anaesthetised  
I am at home  
Here in paradise  
Where I can know what I wanna know  
So sleep, sleep... So darling say goodnight, goodnight  
Before I turn, turn out the lights  
If I open my eyes I can see what you do  
So I'll sleep walk forever and stay in love with you If knowledge is power then let me be weak  
If feeling is pain then I'd rather stay asleep I painted roses red  
Smoke and mirrors  
Whatever people said  
I loved a sinner  
What did you expect?  
When it glitters is it ever gold  
So sleep, sleep... So darling say goodnight, goodnight  
Before I turn, turn out the lights  
If I open my eyes I can see what you do  
So I'll sleep walk forever and stay in love with you
