

Mama Mia

Kevin Lyttle

Na, na, na, na, na, na, na, na

Na, na, na, na, na, na, na, na

Yeah

She's got the touch I love so much

That's all I ever wanted, I'm so God blessed

Under her spell she had me crushed

I sworn I was anointed

Got caught by her magic

She had me droolin' for a while

With her sexual motion

Like takin' candy from a child

Suck on her love potion

I can't believe the changes i've made

Since I've met my baby, you know

She drives me crazy, on and on

What a beautiful lady, on and on

She drives me crazy, on and on

And there's no ifs no maybes

She goes, on and on, ooh, yeah

Like a volcano she erupt

Blowin' up my pager

Every minute every hour

Woo, oh, woo

I realize she likes my stuff

I chose erotic flavors

This moment I will savor

Lord, I never trust that pretty smile

'Cuz looks are deceivin'

Sexy walk mighty profound

So pretty girls are misleadin'

Lesson learned don't judge a book

By lookin' at its cover, you know

She drives me crazy, on and on

What a beautiful lady, on and on

She drives me crazy, on and on

And there's no ifs no maybes

She goes, on and on

She drives me crazy, on and on

What a beautiful lady, on and on

She drives me crazy, on and on
And there's no ifs no maybes, on and on, oh
My life my time and my all
I've dedicated to her
That's the life she wanted
Woo, yeah, I'm saying this I never start
'Cuz she is my dream maker
And now we're gonna flaunt it
Thank God I'm stuck with her for life
She's having my shorty
The perfect girl for my wife
Just my baby's mommy
Girls flaunt their best desires
But there was always something missing, ooh
She drives me crazy, on and on
What a beautiful lady
She goes, on and on
She drives me crazy, on and on
And there's no ifs no maybes, on and on
She drives me crazy, on and on
What a beautiful lady, on and on
She drives me crazy, on and on
And there's no ifs no maybes, on and on
