

You're Wondering Now

skambulance

You're wondering now, what to do, now you know this is the end
You're wondering how, you will pay, for the way you misbehaved
First time I swallowed, now you're on your own
I won't return, forever you will wait
You're wondering now, what to do, now you know this is the end

First time I swallowed, now you're on your own
I won't return, forever you will wait
You're wondering now, what to do, now you know this is the end
You're wondering how, you will pay, for the way you misbehaved
You're wondering now, what to do, now you know this is the end
You're wondering now, what to do, now you know this is the end
