Who Knows Where the Time Goes

Nanci Griffith

{One, two, three}Across the evening sky, all the birds are leaving
How can they know it's time for them to go?Before the winter fire, I will still be dreamingI have no thought of time
Who knows, where the time goes
Oh, who knows where the time goesSad deserted shore, your fickle friends are leaving
Ah, but then you know, it's time for them to goI will still be here, I have no thought of leavingI have no thought of time
Who knows where the time goes
Oh, who knows where the time goesAnd I am not alone while my love is near me
I know it will be so until it's time to goSo come the storms of winter and then the birds in spring againI have no fear of time
Who knows how my love grows
And who knows where the time goes
