Restless

Hundredth

I never asked to be
but you made this in me.
And I feed it.
My skin knows evil so well
But it never knew you.
And i never asked to be held
But you made this
You made this in me
Feed it, i feed it
And my skin knows evil so well
But it never knew you
And i feed it alone
from the disgust
And i held my hands.
I starved you of life
When you had just
Shown me love,
Shown me love,
Shown me love.
Still that wasn't enough for me.
Enough for me.
The taste of you grew so old,
And the touch of your ugly skin.
Stop breathing
And feel my sickness,
Feel my bones rotting thin.
Rotting thin!
And i never asked to be held
But you made this
And you made this in me
'Cause my skin knows evil so well,
And never knew you.
You came back to find me.
He came here to find me,
And I didn't deserve for you to care.
Disgust had taken hold of me,
And you hoped
That love would stay inside.
That love would ever stay inside,

And I hope it would stay inside.
But like a cancer creeping slowly
It could never survive.
Never survive,
Never survive,
Never survive.
It could never survive!
