

Who Loves You

Frankie Valli the Four Seasons

Who loves you pretty baby
Who's gonna help you through the night
Who loves you pretty mama
Who's always there to make it right Who loves you pretty baby
Who's gonna help you through the night
Who loves you pretty mama
Who's always there to make it right Who loves you
Who loves you pretty baby
Who's gonna love you mama
Who loves you
Who loves you pretty baby When tears are in your eyes
And you can't find the way
It's hard to make believe
You're happy when you're gray Baby, when you're feelin' like
You'll never see the mornin' light
Come to me
Baby, you'll see Who loves you pretty baby
Who's gonna help you through the night
Who loves you pretty mama
Who's always there to make it Who loves you
Who loves you pretty baby
Who's gonna love you mama
Who loves you
Who loves you pretty baby And when you think
The whole wide world has passed you by
You keep on tryin'
But you really don't know why Baby, when you need a smile
To help the shadows drift away
Come to me
Baby, you'll see Who loves you pretty baby
Who's gonna help you through the night
Who loves you pretty mama
Who's always there to make it Who loves you
Who's gonna love you, love you
Who's gonna love you Who loves you
Who's gonna love you, love you
Who's gonna love you Baby, baby
Dot-doo-dot
Come to me

Baby, you'll see Who loves you pretty baby
Who's gonna help you through the night
Who loves you pretty mama
Who's always there to make it Who loves you
Who's gonna love you, love you
Who's gonna love you? Who loves you
Who's gonna love you, love you
Who's gonna love you
