We Got To Have Peace

Curtis Mayfield

We got to have peace
To keep the world alive
And war to ceaseWe got to have joy
True in our hearts
With strength we can't destroyPeople hear us
Through our voice the world knows
There's no choiceWe're begging to save the children
The little ones
Who just don't understandGive them a chance
To breed their young
And help purify the landPeople hear us
Through our voice the world knows
There's no choiceAnd the people in our neighborhood
They would if they only could
Meet and shake the other's hand
Work together for the good of the landGive us all an equal chance
It could be such a sweet romance
And the soldiers who are dead and gone
If only we could bring back oneHe'd say, "We got to have peace
To keep the world alive
And war to ceaseWe got to have joy
True in our hearts
With strength we can't destroyPeople hear us
Through our voice the world knows
There's no choiceAnd the people in our neighborhood
They would if they only could
Meet and shake the other's hand
Work together for the good of the landGive us all an equal chance
It could be such a sweet romance
And the soldiers who are dead and gone
If only we could bring back oneWe got to have peace
We got to have peace
Let the world knowPeace, peace, peace
We got to have peacePeople hear us
Through our voice the world knows
There's no choiceSave the children
Save the children
Save the childrenAnd the people in our neighborhood
Who would if they only could

Meet and shake the other's hand
Work together for the good of the landGive us all an equal chance
It could be such a sweet romance
And the soldiers who are dead and gone
If only we could bring back oneWe got to have peace
We got to have peaceLet the people singin'
Peace, peace, peace
We got to have peaceI sing peace, peace, peace
We got to have peace
Peace, peace, peace
We got to have peace
