

# Get On The Good Foot

James Brown

Can't pass the people, can't pass the, hit me  
Ooh, get on down like  
Uh, I wanna get on the good foot  
Ho, good foot, I got to get on the good foot, ah  
Going down to the crib, let all hang out  
Where soulful people knows, what it's about, ah  
Going down to the crib and let it all hang out, ah  
Where soulful people knows, what it's about, ah  
Where people do the sign and take your hands, ah  
And dancin' to the music James Brown Band  
They're dancing on the good foot  
I got to get on the good foot  
Got to do it on the good foot  
Do it with the good foot  
Said the long hair hippies and the afro blacks  
They all get together across the tracks  
And they party  
Ho, on the good foot  
You know they dance on the good foot  
Dance on the good foot  
Ain't nothing goin' on now but the rent, ah  
A whole lotta bills and my money's spent  
And that's on my bad foot, whoa, uh  
You know my face gettin' short and I got the blues  
I got a funky job and I paid my dues on the good foot  
Ho, on the good foot  
I got to get on the good foot  
Hey, on the good foot  
Get on the good foot, come over  
Hit it there, you got to, get it, get it  
Sharper now, uh  
Come on, get it, ah, huh  
On the good foot  
On the good foot  
Ho, on the good foot  
Get on the good foot  
On the good foot  
On the good foot  
Ho, get on the good foot

On the good foot  
Get it there, get it there  
Ho, now bass, play on it now  
Come on, get it, ah, get it  
Get on the good foot  
Ooh, I got to get on the good foot  
Ooh, get on the good foot, ho  
Take care of business, sister, I'm your fella
