Step In The Name Of Love (remix)

R Kelly

Many lovers has come and many lovers have gone
Similar to an old fashion song
(A thousand years from now)
(We'll be still puttin' it down, my baby)
You can change the frame but the picture remains the same
Similar to the sun after the rain
(A thousand years from now)
(We'll be still puttin' it down, my baby)
Baby girl in other words for ever more, I'll be here
(I'll be here)
'Cause, my whole has been full of joy ever since you came here, girl
(Goes around, goes around)
My whole world goes around
(Goes around, goes around)
(Goes around, goes around)
Because you, you spin me, yeah
(Goes around, spin me)
And every time we're done making love, girl
It makes me wanna
(Snap in the name of love, snap in the name of love)
Snap my fingers
(Clap in the name of love, clap in the name of love)
Clap my hands, yeah
(Step in the name of love, step in the name of love)
Step from side to side
(Groove in the name of love, groove in the name of love)
Groove and say, "It's still alright"
Some believes in love and some people don't
Similar to a story when it's told
(A thousand years from now)
(We'll be still puttin' down, my baby)
Some have cross the finish line and some gave up
It's like movin' a mountain, love can be just that tough, yeah
(A thousand years from now)
(We'll be still putting it down, my baby)
Baby girl in other words for ever more I'll be here
(I'll be here)
'Cause, my whole has been full of joy ever since you came here, girl
(Goes around, goes around)

My whole world goes around
(Goes around, goes around)
(Goes around, goes around)
Because you spin me, yeah
(Goes around, spin me)
(Take a moment again back)
And every time we're done making love
(Take a moment again back)
(Take a moment again back)
Girl, makes me wanna
(Snap in the name of love, snap in the name of love)
Snap my fingers
(Clap in the name of love, clap in the name of love)
Clap, oh my hands
(Step in the name of love, step in the name of love)
Step in the name of love
(Groove in the name of love, groove in the name of love)
And groove, it's alright
(Snap in the name of love, snap in the name of love)
(Clap in the name of love, clap in the name of love)
Clap my hands, oh
(Step in the name of love, step in the name of love)
Step, step, step, you got it
Groove in the name of love
(Groove in the name of love, groove in the name of love)
Yeah
Now we gonna play a little game
This game is for all of those who know
How to follow the rules to this game, aight?
Listen, when I sing, I want everybody out there
To do what ever I sing, aight? Come on here we go
Step step, side to side, round and round, dip it now
(Come on)
Separate, bring it back, let me see you do the love slide
(Yeah, come on y'all)
Step step side to side, round and round, dip it now
(What)
Separate, bring it back, let me see you do the love slide
(Come on, to the bridge)
(Goes around, goes around)
See my whole my whole world, goes around
(Goes around, goes around)
(Goes around, goes around)
All because of you spin me, yeah
(Goes around, you spin me)

(We're gonna make it)
And when we're done making love, baby
(We're gonna make it)
Hey, I just wanna get to steppin'
(We're gonna make it)
Go out on the town and
Snap in the name of love
(Snap)
Snap in the name of love
(In the name of love)
Clap in the name of love
(Yeah baby)
Clap in the name of love
Step in the name of love
(I wanna step, woo)
Step in the name of love
(In the name of love)
Groove in the name of love
Groove in the name of love
(Listen, love brought us together)
Snap in the name of love
(So keep on steppin? because)
Snap in the name of love
(Love?s gonna last forever)
Clap in the name of love
Clap in the name of love
(Let?s step out, hit the club)
Step in the name of love
(DJ?s rockin? that song for us)
Step in the name of love
(If anybody ask, why we?re steppin?)
Groove in the name of love
Groove in the name of love
(Tell them that we did it for love)
Dedicated to Uncle Henry Love, thank you
