alphabetical

Phenix

Everybody says I'm a lonesome kind of guy
I've been defeated by them all
If they can find me
I'm done
Everybody knows that it really doesn't matter at all
All the good things that I've done
I'm up against the wall
How come my file is been deleted?
If this is what they want
I can tell you that the order's alphabetical
Don't you get it?
Sooner or later I'll be recruited by someone
Everybody knows that it really doesn't matter at all
Everybody says I shouldn't mess with you no more
If you see me on my own
Drive on
If I were dismissed I wouldn't gotten much more
If I wasn't that kind I wouldn't care at all
Sooner or later, sooner or later
Sooner or later, I'll change my whole perspective
If this is what they want
I can tell you that the order's alphabetical
Don't you get it?
Sooner or later I'll be recruited by someone
Isn't it better?
Sooner or later, sooner or later
Sooner or later, I'll change my whole perspective
I'll be recruited by someone
