

# Cure For Aids

**Dan Bern**

The day they found a cure for AIDS  
The day they found a cure for AIDS  
Everybody took one little pill and was okay  
The day they found a cureThe day they found a cure for AIDS  
Everybody took one little pill and was okay  
I slept with Cindy and Martha and Sue  
I slept with Julie, Melissa and Kate  
The day they found a cureThe day they found a cure for AIDS  
Everybody took one little pill and was okay  
The people who had plotted to get rid of all the gays  
Admitted their guilt and then everything was fine  
Everybody else said, I didn't know the day they found a cureFor 6 months, no one went to work, they all had  
orgies  
Morning after pills were sold in grocery stores and gas stationsThe day they found a cure for AIDS  
Everybody took one little pill and was okay  
We rented dirty movies and ordered out for food  
For 3 solid weeks everyone I met was nude  
I slept with Julie, Melissa and Jake, nobody was afraidThe day they found a cure  
The day they found a cure  
The day they found a cure, for AIDS
