

# Commanding the Legions of Hell

## Goatwhore

Speak Forbidden Words

Call The Demon Gods

Holy Blood Will Flow

Upon The Throne Of Satan I Praise The Dark Name Of Thee  
...Satanas

Come Forth From The Black Abyss  
...Lucifer

Command Thy Armies Of Hell  
...Leviathan To This Holy Worlds Demise

To The Never Ending Darkness  
To The Obscenities I Yearn For

To The Betrayal Of You All Man's Mortal Virtue A Ruin For Ages To Speak  
A Curse Lain Down For Countless Years

Against All Who Speak Such Evil A Crown Of Thorns Worn By Warriors Of The Dark Lord  
The Forefathers Bastards Of The So-Called Pure

The Souls Ripped Forth To Kill Their Ways... Kill Them All Beating And Torturing Your God  
As The Nails Are Ripped Through Flesh

I Reign Upon The Mountain That Is The Skull

Light Has Fallen, Darkness Engulfs This Name Never To Be Spoken

I Am The Soul Of The Serpent

Join The Ceremony

Rejoice In Blasphemy
