Eat At Joes

Suzy Bogguss

I go to work from 10:30 until 6 a.m
Raking up the dimes and quarters
Slinging eggs and ham
Scrambled, poached or over easy
Coffee black and strong
Jukebox of scratchy records
I play 'em all night longEternal blue neon, we're never closed
When the world is asleep
Darling, come take a seat
You can always eat at Joe's
Eat at Joe'sHere comes old Frank Taylor
Smelling like old gin
Guess his wife couldn't get him sober
It's up to me again
Here's a hot top on your coffee
Honey, you're in mess
I ain't your wife, I ain't your momma
But I'll do, I guessEternal blue neon, we're never closes
When the world is asleep
Darling, come take a seat
You can always eat at Joe's
Eat at Joe'sHello prince charming
Where are you, dear?
When will you come in
And order biscuits here?Truck drivers, musicians
With no place to go
I can be your domestic goddess
For an hour or soEternal blue neon, we're never closed
When the world is asleep
Darling, come take a seat
You can always eat at Joe's
Eat at Joe'sGo to work and
Black coffee is strong
Eat at Joe's
Ordering
