

Club Hop

Jesse McCartney

If the party stops, that don't mean nothing
 'Cause we'll just club hop
 And you can't never stop a hot party
If the party stops, that don't mean nothing
 'Cause we'll just club hop
 And you can't never stop a hot party
We in this club, turn it up, 6 on me got 3 on her
 We got drinks, they popping all day
 Wanna take it off like it's the 4th of July
 They say we young, live it up
 Gotta give it to her 'til she get enough
 Don't you see the way that she getting off
Ain't no limit to the women that can get it in here
They wanna freak all night until they can't no more
 And they don't ever wanna go home
And that's 'cause ain't no reason to turn the party off
And if anybody tries to stop it, it's time to move on
 If the party stops, that don't mean nothing
 'Cause we'll just club hop
 And you can't never stop a hot party
If the party stops, that don't mean nothing
 'Cause we'll just club hop
 And you can't never stop a hot party
 I wanna be in front of every DJ
 When they play this around the world
 Gotta make sure the champagne pop
 And the beat don't stop
 While I'm on these sexy girls
 Get, get, get, get it shorty, don't be shy
 I saw you and her across the room
 You kissing on her, she kissing on you

Getting off is the only thing I need you to do
They wanna freak all night until they can't no more
 And they don't ever wanna go home
And that's cause ain't no reason to turn the party off
And if anybody tries to stop it, it's time to move on
 If the party stops, that don't mean nothing
 'Cause we'll just club hop

And you can't never stop a hot party
If the party stops, that don't mean nothing
'Cause we'll just club hop
And you can't never stop a hot party
We keep it going, we keep it going, we keep it going
We keep it moving until we find the guys and girls
That wanna freak all night until they can't no more
And they don't ever wanna go home
And that's 'cause ain't no reason to turn the party off
And if anybody tries to stop it, it's time to move on
If the party stops, that don't mean nothing
'Cause we'll just club hop
And you can't never stop a hot party
If the party stops, that don't mean nothing
'Cause we'll just club hop
And you can't never stop a hot party
If the party stops, that don't mean nothing
'Cause we'll just club hop
And you can't never stop a hot party
If the party stops, that don't mean nothing
'Cause we'll just club hop
And you can't never stop a hot party
