

Love (feat. Bruno Mars)

Jaeson Ma

Now Hollywood wants to make you think they know what love is.

But Imma tell you what true love is.

Love is not what you see in the movies.

Its not the ecstasy, its not what you see in that scene
you know what I mean. I'm telling you right now, true love is sacrifice.

Love is thinking about others before you think about yourself

Love is selfless not selfish. Love is God and God is love.

Love is when you lay down your life for another

Whether for your brother, your mother, your father or your sister

Its even laying down your life for your enemies,

That's unthinkable, but think about that

Love is true

Think.Chorus

I'll put you in front of me

So everybody can see

My love, this is my love

I know that I'll be alright

As long as you are my guide

My love, this is my loveLove is patient, love is kind.

It does not envy, it does not boast

It is not proud. Love is not rude, it isn't self-seeking

It is not easily angered, it keeps no record of wrongs

You see love does not delight in evil but rejoices with the truth.

It always protects, always trusts, always hopes, it always perseveres

Love never fails. Love is everlasting.

It's eternal, it goes on and on, it goes beyond time

Love is the only thing that will last when you die

But ask the question why? Do you have love?Chorus

I'll put you in front of me

So everybody can see

My love, this is my love

I know that I'll be alright

As long as you are my guide

My love, this is my loveThere is no greater love than this, than he who lays down his life for his friends.

Now are you willing to lay down your life for your friends?

You're probably willing to lay down your life for your mother
your father, or your best friends.

But are you willing to lay down your life for even those that hate you?

I'm Imma tell you who did that

The definition of love is Jesus Christ. He is love
The nails in his hands, the thorns in his brow
Hanging on a cross for your sin, my sins
That is love he died for you and me while we still hated him.
That is love.

God is true love, and if you don't know this love
Now is the time to know, perfect love. Chorus
I'll put you in front of me
So everybody can see
My love, this is my love
I know that I'll be alright
As long as you are my guide
My love, this is my love I'll put you in front of me
So everybody can see
My love, this is my love
I know that I'll be alright
As long as you are my guide
My love, this is my love
