

Blue Side Of Heaven

Alan Jackson

Don't be sad
Darlin' I love you
And I'll take you with me
In my souls memory
I'm just going ahead
To tell them about you
So they will all know you
The way that I do And I'll meet you dear
On the blue side of heaven
Where angels sing
And days never end
I'll dance with you
On the blue side of heaven
Where god will bless
Our love once again I'll teach them all
The songs that we love dear
And I'll tell them of
Our babies at home
I'll hug and kiss
All of our loved ones
Who came before
So I'm not alone And I'll meet you dear
On the blue side of heaven
Where angels sing
And days never end
I'll dance with you
On the blue side of heaven
Where god will bless
Our love once again So let me go
And tell me you love me
I'm not afraid
'Cus darlin' I know
That someday soon
You'll be there with me
We'll be together
As long as time goes And I'll meet you dear
On the blue side of heaven
Where angels sing
And days never end

I'll dance with you
On the blue side of heaven
Where god will bless
Our love once again So don't be sad
You know that I love you
And I'll see you when
It comes to your time
We'll walk along
Some beautiful river
Hand in hand
On life's other side
