Someone (2.0)

Boston

I hear you won't even say my name
I know things could never be the sameBut whenever I call your number
You're not at home, don't hear the phone
Whenever I start to wonder
Are you alone, are you alone?Someone won't go to sleep tonight
Someone is gonna hurt insideThey say you receive the love you give
Someday you'll believe it's how I live
But when ever I call your number
I'm all alone and on my own Whenever I start to wonder
The things you said,
The words I readSomeone won't go to sleep tonight
Someone is gonna hurt insideSomeone like me,
Someone like me, like meSomeone won't go to sleep tonight
Someone is gonna hurt insideSomeone won't go to sleep tonight
Someone is gonna hurt inside
