

Someone (2.0)

Boston

I hear you won't even say my name
I know things could never be the same But whenever I call your number
You're not at home, don't hear the phone
Whenever I start to wonder
Are you alone, are you alone? Someone won't go to sleep tonight
Someone is gonna hurt inside They say you receive the love you give
Someday you'll believe it's how I live
But when ever I call your number
I'm all alone and on my own Whenever I start to wonder
The things you said,
The words I read Someone won't go to sleep tonight
Someone is gonna hurt inside Someone like me,
Someone like me, like me Someone won't go to sleep tonight
Someone is gonna hurt inside Someone won't go to sleep tonight
Someone is gonna hurt inside
